Dear Ms. Lakey,

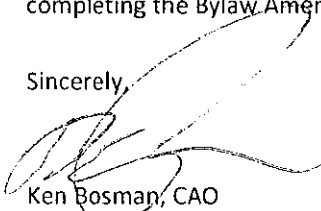

Re: High Prairie & District Solid Waste Management Authority

At the December 5, 2012 High Prairie & District Solid Waste Management Authority Meeting a motion was passed requesting that correspondence be sent requesting the Partner Bylaw Amendments be completed to allow new partners to join the High Prairie & District Regional Solid Waste Management Authority by way of majority vote of the Authority.

A drafted bylaw created by Reynolds Mirth Richards & Farmer LLP to allow the acceptance of new members from time to time as approved by a majority vote of the Regional Waste Authority was presented to each partner at the March 27, 2012 High Prairie & District Solid Waste Management Authority Meeting. A copy of the bylaw has been attached for your reference. A Partner Bylaw Amendment is required in order to accept new partners onto the authority. Please note that a bylaw amendment is required by each partner that originally passed a bylaw to enter into the Regional Waste Authority. The Town of Swan Hills has patiently been waiting to be accepted into the Authority since late 2011.

The Regional Waste Authority requests that all Partner Bylaw Amendments be completed and submitted to the authority as soon as possible. Please do not hesitate to contact the authority should you require any assistance in completing the Bylaw Amendment.

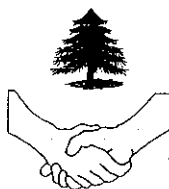

Sincerely,

Ken Bosman, CAO
